II. WIA 2005 Local Plan Guidelines (12/05)

The Local Plan describes how WIA assigns responsibility to the local Workforce Development Boards (WDB), in collaboration with the Chief Local Elected Official (CLEO), to ensure the creation and maintenance of a One-Stop System in the WDB area.

B.G. Cocroft presented the meeting packet containing excerpts from the Local Plan Guidelines draft (12/29/05), specifically those relative to “how” Comprehensive Job Centers should operate, the standards for operating, and how the One-Stop Center system can be structured. He then requested PIC staff to review these guidelines for the committee.
